

Emersons Green NHS Treatment Centre

# Choosing the service that's right for you

## Fast access to high-quality care

At Emersons Green NHS Treatment Centre, we pride ourselves in providing fast, convenient access to high-quality NHS treatment for people aged 18 years and over.

Our state of the art NHS treatment centre includes four operating theatres, an endoscopy suite and physiotherapy department. We also have a comprehensive diagnostics department.

## As a patient of the centre you will benefit from:

### Short waiting times

In most cases, we will see you within three weeks for your first outpatient appointment, meaning shorter waiting times. If you need further treatment or surgery we can offer dates and times to suit you, leading to potentially shorter treatment and recovery times.

### Convenient one-stop service

We'll do our best to fit in everything in one visit, from seeing the consultant, to having diagnostic tests and preassessment for surgery if required; reducing the time you have to spend waiting.

### High levels of patient satisfaction

We actively encourage all of our patients to leave feedback when they visit the centre. Our patient satisfaction levels are over 90%, demonstrating the high-quality care we provide.

### Tough infection control

No patient has ever caught MRSA or C.difficile here. We're determined to keep our strict cleaning and hygiene regimes so that no one ever does.

### Help and advice whenever you need it

We have a round-the-clock helpline for our patients when discharged from our care.

## Our services

We are a specialist NHS treatment centre that deals with a range of non-urgent treatments.

Our services cover:

- General Surgery
- Endoscopy
- Gynaecology
- Urology
- Orthopaedics
- Diagnostic Imaging
- Ear, Nose and Throat
- Ophthalmology

## How to find us

When you need NHS treatment, you can choose any hospital or treatment centre that offers the service you need.

If you need treatment, we'd be delighted if you made Emersons Green NHS Treatment Centre your choice.
